Good Afternoon,

As of this afternoon, we have several members who are unable to attend the scheduled IBA meeting, because of this, we are cancelling tonight's meeting. We do not have business to vote on nor that needs immediate attention by the board. I will prepare an update to send by email. Should we have movement on Project Cardinal or any of the new projects we are currently working that need immediate attention, I will send out details for a called meeting.

Any questions, please let me know.

Thank you,
